

INSPECTIONS AND APPEALS DEPARTMENT[481]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code sections 231B.2(1), 231C.3(1), and 231D.2(2), the Department of Inspections and Appeals hereby gives Notice of Intended Action to amend Chapter 67, “General Provisions for Elder Group Homes, Assisted Living Programs, and Adult Day Services,” Iowa Administrative Code.

The proposed amendments provide clarification of rules related to nurse delegation in elder group homes, assisted living programs and adult day services. Previously, the Department had relied on Nursing Board rules to explain the provision of nursing services in assisted living programs, elder group homes and adult day services programs. Over time, the Department and affected groups determined that amendments were necessary to further clarify the provision of nursing services in these programs. The Department consulted with the Nursing Board and affected groups in writing regarding the amendments.

The Department does not believe that the proposed amendments pose a financial hardship on any regulated entity or individual.

Any interested person may make written suggestions or comments on the proposed amendments on or before July 16, 2013. Such written materials should be addressed to the Director, Department of Inspections and Appeals, Lucas State Office Building, 321 East 12th Street, Des Moines, Iowa 50319-0083; faxed to (515)242-6863; or e-mailed to David.Werning@dia.iowa.gov.

Additionally, there will be a public hearing on July 17, 2013, at 10 a.m. in Room 319 of the Lucas State Office Building, 321 East 12th Street, Des Moines, Iowa, at which time persons may present their views either orally or in writing. At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the amendments.

Any person who intends to attend the public hearing and has special requirements, such as those relating to hearing or mobility impairments, should contact the Department of Inspections and Appeals and advise of special needs.

After analysis and review of this rule making, no impact on jobs has been found.
